PayWise reaches a new milestone in digital payments

Bengaluru, 20 October 2026. PayWise, which is regulated as a payment aggregator by the Reserve Bank of India, today announced that it now serves over 8 million registered users in India.

PayWise Business serves over 2 million merchants across India, and UPI payments on PayWise continue to carry zero merchant discount rate (MDR). PayWise secures payments with bank-grade AES-256 encryption and is PCI DSS certified.

The company also shared early plans for Project Falcon, its next platform for merchants.

About PayWise

PayWise was founded in 2019 and is headquartered in Bengaluru. The PayWise app is available in 12 Indian languages.
